

Laura Levistö

Interested in:

FULL-STACK CYBERSECURITY TESTING

I'm looking for my first job in IT field. I've been artisan, entrepreneur and nanny, and now I want to code. I learn by doing. And I want to solve (coding) problems. Remote work is also suitable.

I have lived in Tampere for 14 years and I'm a mother of three kids.

PROJECTS

Cybersecurity

- OSINT Tool
- Port Scanning Tool
- Steganography Tool
